Fundraiser: Support Wrongfully Convicted

Join **Exonerated Nation** in our mission to *address this human rights issue with our efforts to continue providing immediate services to exonerees upon release, advocating and leading the charge for policy change, and building a healing community for survivors of wrongful conviction in California and across the nation.*

STAPLES CENTER LUXURY SUITE | LA KINGS vs. AZ COYOTES | 6:00 PM

EN is a non-profit organization leading the way with these recent successes for securing resources for exonerees in California:

- AB 701 housing for exonerees
- AB 703 providing free UC, CSU, and community college tuition
- SB 1050 providing health coverage to exonerees; access to state and local job training programs

In a show of your organization’s support for human rights and social justice, contributions would help fund the staffing needed to carry out advocacy activities for policy change and continued services for exonerees such as professional development opportunities, educational workshops, and care packages.

We have three sponsorship levels, each offering your members and guests admission to the live game from a luxury suite with Obie Anthony, founder of Exonerated Nation and key stakeholders in the wrongful conviction movement:
